Public Service Ethics Training

An attorney from the City Attorney's Office will present Public Service Ethics Training, as required by the City of Scottsdale Public Service Ethics Program ("Ethics Program"), adopted by the City Council as Resolution No. 6879 (May 2, 2006). The City of Scottsdale Code of Ethical Behavior ("Ethics Code") (Ordinance No. 3675), also adopted by the City Council on May 2, 2006, will be explained and discussed.

The presentation will be for informational and discussion purposes, to comply with the provisions of the Ethics Program and Ethics Code. In the event that a quorum of one or more City of Scottsdale boards, commissions or other public bodies is in attendance at a scheduled session, their presence will not constitute a meeting under the Arizona Open Meeting Laws, since no legal action will be taken by any public body.

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting the City Clerk's office at (480) 312-2412. Requests should be made as early as possible to allow time to arrange accommodation.
